HOW TO RAISE, COLLECT AND SEND US YOUR SPONSOR MONEY

Here's how people can sponsor you:

ONLINE
Set up a fundraising page of your own on our fundraising platform Enthuse.

It's easy to do and you can send the link to your family and friends. If you have a strava account you can even connect it to your fundraising page.

Here's the link to set up your own online fundraising page.

SPONSOR FORM
You may like to print out a sponsor form and get your family and friends to fill it in.

Here is a link to download a form. Please print off extra pages if you need them.

There is no need to send us the completed sponsor form. It is for your use.

Once you have collected your sponsorship money, please send it to us.
